25X1. In early February 1955, [ ] Main Department II at the Deputy for Economic Affairs was the Quartiernutzungsverwaltung (Billeting Administration) (QNV). Main Department II was headed by Lieutenant Colonel Johannes Rochlitzer, whose deputy was Major Mueller (fmu). It was organized into the following seven sections:

I     Billeting and Planning Section.

## II Projects Section.

Head: Grotewohl (fnu), son of Ministerpresident Grotewohl.

### III Control Section and Construction Inspectorate.

IV Legal Section.

Head: Captain Pickelhaupt (fnu).

V Coal and Gasoline Section.

Head: Senior Lieutenant Neumann (fnu).

## VI Furniture and Equipment Section.

Head: Captain Klenm (fnu).

## VII Finance Section.

Head: Senior Lieutenant Stadlaender (fnu).

1

Sections I, II, III, and VII were controlled by Lieutenant Colonel Rochlitzer and Sections IV, V and VI by Major Mueller.

2. The Billeting Administration controlled the territorial administrative agencies, which correspond with the former German Army Bezirkskommandos (District Recruiting Offices) and are each staffed with one technical and one administrative head. Territorial administrative agencies are located at the following places:

3. A political control officer was assigned to the head of each main department. The political control officer assigned to Main Department II was Lieutenant Colonel Pfenning (fnu) who acted as Rochlitzer's deputy. Major Mueller (fnu) is also a deputy. Colonel Chibill (fnu) was another Soviet adviser and also assigned to this main department. A political control commission headed by Lieutenant Colonel Tutlitz (fnu), assisted the Deputy Minister of the Interior Willi Mayer. Main Department I, which was the construction department, was headed by Colonel Horst Praessler, whose deputy was Major Koehler (fnu). The Main Topographic Department was headed by one Reinhardt (fnu). 3
4. Funds appropriated for the 1953 construction program on 14 February 1953 included 250,000,000 eastmarks for the KVP, 240,000,000 eastmarks for the Air VP, 193,000,000 eastmarks for the Sea VP and 14,000,000 eastmarks for repair. A total of 6,000,000 eastmarks had been appropriated for repairs and reconditioning work at the preceding conferences.
5. In early February 1953, a KVP unit (division) was stationed at Baerenstein near Oberwiesenthal. Elements of the unit were located in the former Steinlager Camp and 50 single-story buildings of the cantonment of the Wismuth-AG. Large garages for tanks and guns of three divisions were almost completed in the Torgelow-Eggesin-Jaegersbrueck area. The three divisions belonged to Group 2000 stationed at Pasewalk and commanded by General Hermann Rentsch. 4

25X1 [ ] Comment. The information contained in the present report agrees with a previous report [ ] [ ] .

25X1 [ ] Comment. The present report indicates that the Pasewalk Billeting Office headed by Captain Pohlmann (fnu), which was mentioned in a previous report, is a Territorialverwaltung (territorial administrative agency) (TVW). [ ] A previous report by a deserter in November 1952 stated that Colonel Bleck (fnu), previous head of the Torgau KVPD, is the head of the Dessau TVW. The head of the Leipzig TVW is Colonel Wallbaum (fnu), who formerly headed the KVPD Leipzig II.

25X1 [ ] Comment. One Lieutenant Colonel Pfenning (fnu), who fairly definitely is the officer mentioned in the present report was PK chief at the PK school in Berlin-Treptow in late 1952. The other officers except Reinhardt and Colonel Chibill are confirmed in the positions indicated.

25X1 [ ] Comment. It is believed that [ ] the Niederschlag and Hutweide Camps, which quarter the former Meiningen KVPD. Only the bulk of two divisions of Armeegruppe Nord, whose headquarters is stationed at Pasewalk, is scheduled to be quartered in the Torgelow-Eggesin-Jaegerbrueck area. The 3d Div of this Armeegruppe is located in Prora.
